

## AMERICA'S CANYONLANDS September 11-17, 2019

**Day 1:** We board our plane for the flight to Las Vegas. Upon arrival we drive to our hotel which is located in St. George, Utah. We have accommodations here for 2 evenings. We have the rest of the day to relax and enjoy the lovely the town of St. George before being treated to a delicious welcome dinner. (D)

**Day 2:** Following breakfast we drive through some magnificent country until we arrive at **Bryce National Park**. One of America's most spectacular parks, one is immediately impressed with the awesome rock formations for which Bryce is known. These incredible "hoodoos" appear as if Mother Nature took a copying machine and made copies of miraculously sculptured monuments. Rich colors and spectacular vistas make our visit a most memorable occasion. Another fine dinner is included this evening. (B,D)

**Day 3:** Following breakfast we drive to one of the world's greatest wonders – the **Grand Canyon**. Just looking out over this remarkable landscape is an experience of unimaginable beauty. Carved out by the flow of the mighty Colorado River, the canyon is as much as 10 miles wide and extends more than 270 miles in length. The views and colors of the rock formations and foliage change dramatically at every vantage point. Seeing the Grand Canyon first-hand one cannot help but come away with a sense of awe. We make a fun-filled stop on the way back from the Grand Canyon to enjoy an Old West country barbecue dinner with entertainment. Our hotel for the next 2 evenings is in Kanab, Utah. (B,D)

**Day 4:** Today is one more day to have your cameras ready as we visit **Zion National Park**, another of America's treasures. Zion gives one a remarkable sensation of nature as we view its massive tan-colored Navajo Sandstone mountains, wildlife and areas rich with beautiful foliage, waterfalls and streams. This extraordinary park includes canyons, buttes, mesas, monoliths, rivers and natural arches, which all become apparent during our tour. Dinner is again prepared for us tonight. (B,D)

**Days 5 & 6:** After a hearty breakfast (included) we drive south, to the "Entertainment Capital of the World," **Las Vegas**. Accommodations tonight and tomorrow are perfectly situated right in the heart of Las Vegas on the famous "Strip." Stroll through the marvelous new hotels or take in a matinee Las Vegas revue show or perhaps visit the Fremont Experience in Old Town Las Vegas. The evenings present a multitude of choices--and then again, there are the casinos.

**Day 7:** After breakfast we transfer to McCarran Airport for home.
